

# Coeur d'Alene Firefighters Pipes and Drums

## Performance Request Form

Please complete this form and return it to the band manager at least 30 days prior to performance date. For funerals, please contact the band as soon as possible.

**Contact Information** (name and phone): \_\_\_\_\_

**Performance Type** (please circle one):

Wedding    Funeral    Concert    FD Event or Other (specify) \_\_\_\_\_

**Performance Date and Time(s)**: \_\_\_\_\_

**Performance Location**: \_\_\_\_\_

**Length of Performance**: \_\_\_\_\_

**Music Requests** (not all requests can be met): \_\_\_\_\_

**Additional Information** (If you have any additional information to offer about this performance, please include it on the back of this form. We appreciate having all available information in advance)

**Warm Up Location:** Please help the band by finding us a suitable warm up location. We need 1 hour in advance of the performance to tune. If we are playing indoors, we must tune indoors.

**Weather:** Bagpipes can play in the rain! However, cold weather can seriously damage the instrument, leading to expensive repairs. In general, the band does not perform outdoors unless the temperature is expected to be in the mid-40s or higher.

### Band Fee Schedule

Factors involved in determining exact fee include number of performers, complexity and duration of performance, and travel distance.

After reviewing your request, the band will determine an appropriate fee for your performance and put a call out to band members to determine availability. Coeur d'Alene Fire Department functions are not subject to a fee. Mini Band and Full Band performances for other fire department functions are offered at a 50% discount.

<b>Number of Performers:</b>	<b>Fee:</b>
Solo Piper	Starting at \$150, to be negotiated with the performer.
Mini Band (2+ pipers and 1+ drummers)	Starts at \$250
Full Band (6+ pipers and drummers)	Starts at \$400
